WEDDING AND SPECIAL EVENT STATIONERY

WISHING WELL WORDING

A little suggestion, just in case  
You were thinking of buying us  
bed spreads and plates,  
For a while now we have been renting a home,  
so most of our furnishing we already own.  
And now for a deposit we are trying to save  
to purchase our own home and have family days  
The gift of money we would appreciate,  
Only if you would like to participate  
So If you would like to add to our wishing well,  
We would be eternally grateful.

WISHW 1

Our two families have come together as one.  
We hope you can join in the fun.  
A wishing well we thought would be great,  
but only if you wish to participate.  
A gift of money is placed in the well  
Then make a special wish, but do not tell...  
Please do not be offended by this type of request,  
as our day is complete, by having you as our guest.

WISHW 2

Friends, as you are aware we already have most items needed  
to 'set up house'. This is the reason for us choosing a wedding  
wishing well. At the reception there will be a wishing well in  
which we would love to receive your greeting card and  
contribution. This will be a great way for us to pool together  
and buy ourselves something quite luxurious, or to make our  
honeymoon even better.

WISHW 3

In our home we have many things  
That living together always brings  
Toasters and tumblers we have bought  
And because of this we have thought  
A honey moon donation would be great  
If any of our special guests wish to participate.  
So we can travel overseas, far and wide  
But never leave each other's side  
And when our honey moon is all done  
We'll have great memories and can thank you for all our fun.

WISHW 4

More than just kisses so far we've shared  
Our home has been made with love and care  
Most things we need we've already got  
Like a toaster and kettle, pans and pots. A wishing well we  
thought would be great  
(but only if you wish to participate)  
A gift of money is placed in the well  
Then make a wish ... but do not tell. Once we've replaced the  
old with the new  
we can look back and say it was thanks to you! And in return  
for your kindness we're sure  
that one day soon you'll get what you wished for!

WISHW 5

The tradition of the wishing well  
used on the wedding day,  
is here both for your money gifts  
and for what you would like to say.

So please drop in a token of love  
for this special Groom & Bride,  
as they start their life united by God  
to live forever side by side.

WISHW 6

Many of our guests have enquired  
for a gift idea to be inspired  
  
Like many couples today  
We have most things anyway  
  
If you would like to give, it is our request  
for something for our treasure chest  
  
A gift of money you can afford  
is just what we need you can be assured

WISHW 7

Soon you will hear our wedding bell,  
As Friends and family wish us well.  
Our household thoughts are not brand new,  
We have twice the things we need for two.  
Since we have our share of dishes and bedding,  
We're having instead a wishing well wedding.  
But more important we ask of you,  
your prayers of love and blessings too!
